Independent Auditor's Report

To the Board of Directors of Mount Sinai Hospital Foundation of Toronto

We have audited the accompanying financial statements of Mount Sinai Hospital Foundation of Toronto, which comprise the balance sheet as at March 31, 2011 and the statement of revenue and expenses and changes in fund balances for the year then ended, and the related notes including a summary of significant accounting policies.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Mount Sinai Hospital Foundation of Toronto as at March 31, 2011 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Notes to Financial Statements March 31, 2011

1 Purpose of the organization

The Mount Sinai Hospital Foundation of Toronto (the Foundation) is incorporated under the laws of Ontario as a corporation without share capital. The Foundation receives, accumulates and distributes funds and/or the income therefrom for the advancement of medical research, education and improvement of patient care at Mount Sinai Hospital (the Hospital).

The Foundation is a public foundation registered under the Income Tax Act (Canada) (the Act) and as such is exempt from income taxes and able to issue donation receipts for income tax purposes under registration number 11904 8106 RR0001. In order to maintain its status as a public foundation, registered under the Act, the Foundation must meet certain requirements within the Act. In the opinion of management, these requirements have been met.

2 Summary of significant accounting policies

The financial statements of the Foundation have been prepared in accordance with Canadian generally accepted accounting principles. The following summary of significant accounting policies is set forth to facilitate the understanding of these financial statements.

Fund accounting

The Foundation follows the restricted fund method of accounting for contributions. The Foundation ensures, as part of its fiduciary responsibilities, that all funds received with a restricted purpose are expended for the purpose for which they were provided.

For financial reporting purposes, the accounts have been classified into the following funds:

a) General Fund

The General Fund accounts for the Foundation's general fundraising, granting and administrative activities. The General Fund reports unrestricted resources available for immediate purposes.

b) Restricted Fund

The Restricted Fund includes those funds where resources are to be used for an identified purpose as specified by the donor, as stipulated by the fundraising appeal or as determined by the Board. The Foundation allocates a portion of its restricted revenues to the General Fund to fund critical needs support for the Hospital. The amount allocated varies year to year depending on the Hospital's needs.

c) Endowment Fund

The Endowment Fund includes those funds where either donor or internal restrictions require the principal to be maintained by the Foundation for a specified period of time.

Notes to Financial Statements March 31, 2011

Investments

Investments, including investments denominated in US dollars, are recorded at fair value. Unrealized gains or losses in the value of the investments are recorded in the statement of revenue and expenses and changes in fund balances.

Revenue recognition

Unrestricted contributions are recognized as revenue of the General Fund in the year received. Donor restricted contributions for specific purposes are recognized as revenue of the Restricted Fund unless the capital is to be maintained permanently in which case the contributions are recognized as revenue of the Endowment Fund.

Revenue from investments represents interest, dividends and realized and unrealized gains and losses, net of safekeeping and investment counsel and other investment expenses. Investment income earned on Endowment Fund resources is recognized as revenue of the Endowment Fund. Investment income earned on Restricted Fund and General Fund resources are recognized as revenue of the respective funds.

Pledges

The Foundation records pledge revenue when it is received.

Contributed goods and services

Contributed goods and services are not recognized in the financial statements.

Capital assets

Purchased capital assets are recorded at cost less accumulated amortization. Amortization is provided on a straight-line basis over the estimated useful lives of the assets as follows:

Leasehold improvements10 yearsFurniture and fixtures10 yearsComputer hardware and software3 years

Financial instruments and risk management

Investments are classified as held-for-trading and are recorded at fair value. Transaction costs related to investments classified as held-for-trading are expensed as incurred. For certain of the Foundation's other financial instruments, including cash, accounts receivable (which are classified as loans and receivables), accounts payable and accrued liabilities (which are classified as other liabilities), their carrying values approximate their fair values due to their short-term maturities.

Notes to Financial Statements

March 31, 2011

Deferred leasehold inducements

Leasehold inducements received in respect of leased office space occupied by the Foundation have been deferred. Amortization is provided on a straight-line basis over the estimated useful life. Leasehold inducements are included in accounts payable and accrued liabilities.

Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenue and expenses during the reporting period. Actual amounts could differ from those estimates.

3 Investments

| | 2011 \$ | 2010 \$ |
|--|--------------------------------------|---------------------------------------|
| Cash and short-term investments State of Israel bonds Bonds and debentures Equities Canadian | 5,026,553 2,082,818 36,538,755 | 12,238,456 2,250,022 33,079,794 |

| Long-term portion | 56,510,877 | 55,025,152 |

The investment portfolio is managed in accordance with the Foundation's investment policy.

Included in investments are US dollar denominated securities comprising equities of US\$nil (2010 - US\$5,063,412) and State of Israel bonds of US\$69,750 (2010 - US\$83,500).

4 Derivative asset/liability

As at March 31, 2011, the Foundation has not entered into any forward exchange contracts. As at March 31, 2010, the net unrealized gain associated with forward exchange contracts, recorded in the accounts as a derivative asset, amounts to \$557,898.

| | | 21,301,361 | 22,363,750 |

Notes to Financial Statements March 31, 2011

Mount Sinai Hospital provides certain services to the Foundation and pays certain expenses on behalf of the Foundation. The Foundation reimburses the Hospital for all direct costs associated with the services provided and expenses paid. Administrative expenses include a charge of \$158,060 (2010 - \$170,033) paid to the Hospital for office space occupied by the Foundation, which is leased on a month-to-month basis.

In March 2011, the Foundation loaned Mount Sinai Hospital \$2,000,000 to be used for capital needs of the Samuel Lunenfeld Research Institute. The loan is repayable to the Foundation by March 31, 2014 plus interest at the same rate as that earned by the Lunenfeld Fund on its medium term bond investments.

7 General Fund

| | | 2011 \$ | 2010 \$ |
|---|---|------------------------|------------------------|
| Unrestricted Invested in capital assets | • | (8,681,374) 161,466 | (9,015,455) 195,547 |
| | | (8,519,908) | (8,819,908) |

The unrestricted deficiency has arisen as a result of a shortfall of unrestricted funds in prior years available to satisfy the Foundation's grant obligations to the Samuel Lunenfeld Research Institute.

8 Endowment Fund

The Endowment Fund consists of externally restricted contributions received by the Foundation where the endowment principal is required to be maintained intact. The Endowment Fund also includes internal resources transferred by the Board to the Endowment Fund, with the intention that the principal be maintained intact.

In addition, from time to time the Foundation may enter into arrangements whereby it is required to match amounts donated on a best efforts basis over an unspecified period. As at March 31, 2011, there was \$366,796 (2010 - \$366,796) of such amounts yet to be funded.

The investment income generated from assets held for endowment purposes must be used in accordance with the various purposes established by the donor or the Board.

Notes to Financial Statements March 31, 2011

Major categories of restrictions on fund balances are as follows:

| | 2011 \$ | 2010 \$ |

11 Entitlements

The Foundation is the income beneficiary of an estate, which is administered by a major Canadian trust company. The fair value of the Foundation's portion of the estate as at March 31, 2011 is \$5,243,413 (2010 - \$4,971,761), which represents a 30% share in the estate. The income included in donations, bequests and contributions for the year ended March 31, 2011 is \$179,187 (2010 - \$192,626).

12 Pledges receivable

At the end of the fiscal year, pledges receivable by the Foundation are as follows:

| | \$ |
|--|--|
| 2011/2012 2012/2013 2013/2014 2014/2015 2015/2016 2016 and thereafter | 18,615,024 16,700,529 11,464,047 9,416,778 8,293,401 28,544,790 |
| | 93,034,569 |

13 Capital management

The Foundation considers its capital to comprise the Endowment Fund and other short-term cash resources. This capital is invested in a combination of equities, bonds and other investments to provide for the long-term preservation of the Endowment Fund and short-term liquidity requirements of the Foundation in line with its overall objectives as set out in note 1. The investments are administered in line with the investment policy as established by the Investment Committee of the Foundation. The Foundation also has external restrictions in connection with certain of its Endowment Funds. These restrictions are monitored and the Foundation is currently of the view that it is in compliance with these external restrictions.

14 Statement of cash flows

A separate statement of cash flows has not been presented since cash flows from operating, investing and financing activities are readily apparent from the other financial statements.
